# 3-days training on Nursery Management of Fruit and Vegetable Crops launched

CHANDEL, Jul 2

A three day residential training programme on Nursery Management of Fruit and Vegetable Crops has started today at ICAR Research Complex for NEH Region, Manipur Centre, Lamphel.

JC Ramthanga, IAS, Principal Scientist (Hort & Soil Cons, Krishna Kumar, IAS, Deputy Commissioner, Chandel, Dr I Meghachandra Singh, Nodal Officer, KKA, Chandel with Dr Deepak Singh, Sr Scientist and Head, KVK Chandel and Honey Chara, District Officer, Horticulture & Soil Conservation, Chandel attended the opening ceremony as dignitaries.

During the inaugural programme, Krishna Kumar, DC, Chandel expressed gratitude to Dr IM Singh, Officer Nodal Officer, Krishi Kalyan Abhiyan (KKA), Chandel & his team for carrying out the activities under KKA effectively.

JCRamthanga, Principal Scientist (Horticulture & Soil Conservation), said that Chandel has huge scope for cultivation of fruits and vegetables. He expressed his desire of making Chandel as the first organic district of the State.

Dr I Meghachandra Singh, Nodal Officer, KKA, Chandel, encouraged the KVK and Line Departments and urged the farmers to utilize the expertise of the resource persons and implement what they learn in their respective villages.

55 farmers from Khudei Khunou, Japhou, Kapaam, Chumbang, Panchai,

Monsang Pantha, Sajik Tampak, Aihang, Chandel Christian, New Somtal, Lambung, Mantak, Lamphoupsana, Chakpikarong, Panchai, Tampi, Moltuk and Mantripantha villages and staff of KVK Chandel and District Horticulture & Soil Conservation, Chandel are participating in the residential training programme.

Krishi Kalyan Abhiyan is a part of the Prime Minister's approach to doubling farmers' income by 2022. Chandel is one of the aspirational districts selected for implementation of Krishi Kalyan Abhiyan which started from June 1 and will end on July 31.

It is being taken up in 25 villages in Chandel district which have relatively large population.

Three off-campus training programmes have been carried out in a total of six villages- Chandel Christian, Chakpikarong, Sajik Tampak, New Somtal, Japhou and Lambung.

Under this flagship programme, a total of 234 soil health cards have been distributed so far out of 'seed

mini kits office', pulses and oilseeds have been distributed to 325 beneficiaries of Chakpikarong, Chandel Christian and Lambung villages and Sajik Tampak and Japhou villages.

60 numbers of small agricultural implements (conoweeder & hand cutter) were distributed to 10 beneficiaries each at all the villages. 2500 number of saplings (lemon and orange) were distributed (500 saplings at each village and 5 saplings to each beneficiary). A total of 547 numbers of cattle have been vaccinated till now. 4 numbers of Artificial insemination were carried out in Chandonpokpi, Hnatham, Heibunglok and Purum Chumbang villages.

Three days residential training programmes on "Mushroom Cultivation" and "Planting Technology of fruit plants" have already been conducted at ICAR, Manipur Centre in which over 70 trainee farmers attended. There will be further residential training programmes on "Bee keeping", "Mushroom Cultivation", "Nutritional Gardening" and "Seed & Grain Production in Kharif" under ATMA Chandel.

# Training prog on pest management underway

CHRONICLE BUREAU

**IMF**: A three-day long residential training programme on 'Pest and Disease Management in Horticultural crops' under Krishi Kalyan Abhiyan - Aspirational District Chandel commenced on Thursday at the conference hall of ICAR Research Complex for NEH Region, Manipur Centre, Lamphelpat.

The training programme is being organised by Krishi Vigyan Kendra, Chandel in collaboration with Department of Horticulture and Soil Conservation, Chandel and is being sponsored by MIDH, Government of Manipur.

The inauguration function of the programme was attended by Director of Horticulture and Soil Conservation, Government of Manipur K Kipgen; Joint Director of (H) Horticulture and Soil

Conservation Ksh Birachandra Singh and Nodal Officer of KKA - Chandel & Principal Scientist (Seed Technology) of ICAR Manipur Centre Dr I Meghachandra Singh as chief guest, guest of honour and president respectively.

The training is the third round of residential training programme on Horticulture conducted under Krishi Kaly-

an Abhiyan.

Speaking at the occasion, K Kipgen emphasised that management of pests and diseases are a very important factor to increase the yield of horticultural crops and their market value.

He also appealed to farmers to fully utilise the talent and expertise of the resource persons so that the new technol-

ogies and knowledge gained could be reflected in their respective horticultural and crop fields.

Ksh Birachandra encouraged the farmers to utilise the training knowledge for increasing their income.

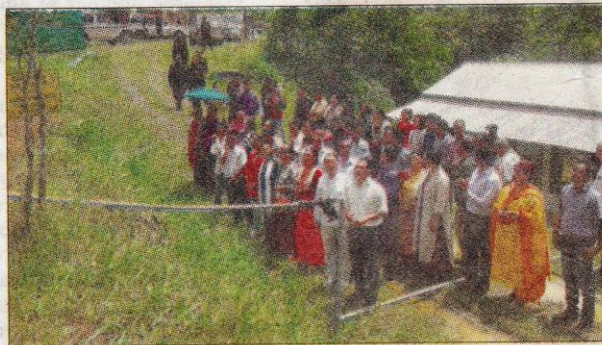

Dr I Meghachandra Singh elaborated on the activities needed to be taken up under KKA in Chandel. He also highlighted that Chandel district has been identified by NITI Aayog as one of the Aspirational District in the country.

He further stressed the need of planting horticultural crops which would play an important role in reducing the impact of global climate change.

The launching programme was also attended by staffers of KVK Chandel and Horticulture & Soil Conservation Department, Chandel.

# Krishi Kalyan Abhiyan-II launched

IMPHAL, Oct 2

Krishi Kalyan Abhiyan-II was launched today at Krishi Vigyan Kendra (KVK) Chandel. The Ministry of Agriculture Cooperation and farmers Welfare launched the abhiyan to boost agriculture and allied activities in aspirational districts, said a statement of Joint Director I Meghachandra Singh, ICAR Manipur Centre.

Deputy Commissioner Chandel Krishna Kumar, Joint Director ICAR Manipur Centre I Meghachandra Singh, AC to DC Chandel

Mahesh Chaudari, Joint Director Veterinary Department Chandel Dr Y Surchandra Singh, Sr Scientist KVK Chandel Dr Deepak Singh, District Agriculture Officer Chandel Ts Gladney Monsang, District Officer Horticulture and Soil Conservation Chandel Honey Chara, staffs of various line departments attended the event.

Dr Deepak Singh presented the achievements of Krishi Kalyan Abhiyan- I and action plan for Krishi Kalyan Abhiyan-II.

Difficulties faced by the departments in the KKA-I

were stressed and discussed to achieve the targeted goals in the KKA-II said the statement.

The Deputy Commissioner Chandel congratulated the KKA team for successful implementation of the KKA-I. Joint Director ICAR manipur Centre I Meghachandra also lauded the KKA-I team for successful implementation of KKA-I and achieving category-1 among the 117 aspirational districts of the country. He encouraged the staff of KVK Chandel and all line departments to achieve the KKA-II targets.

Launching of Krishi Kalyan Abhiyan -II (The Sangai Express 3.10.18)

# Farmers' awareness programme conducted at Chandel

CHRONICLE BUREAU

IMPHAL: A day-long training programme on Beekeeping, Mushroom Cultivation, Nutrition Gardening and awareness programme on Pradhan Mantri Fasal Bima Yojna under "Krishi Kalyan Abhiyan - II" was conducted at Modi village for the villagers of Modi and Hnatham in Chandel district on Thursday.

The inaugural function of the programme was attended by DC Chandel Krishna Kumar; Joint Director of ICAR RC for NEH Region, Manipur Dr IM Singh; Joint Director of District Animal Husbandry and Veterinary Department, Chandel Kh Surchandra Singh; District Agriculture Officer, Chandel Ts Gladny Monsang; and District Officer of Horticulture & Soil Conservation, Chandel Honey Chara as presidium members, a release of KVK Chandel informed.

In the training Session, issues related to Bee keep-

ing, Mushroom Cultivation and Nutrition Gardening and awareness programme for Pradhan Mantri Fasal Bima Yojna (PMFBY), which is one of the flagship scheme of the Government of India that provides comprehensive crop insurance to the farmers against crop yield losses caused due to various natural calamities were elaborated by Krishi Vigyan Kendra's experts.

Thereafter, an interaction programme was conducted

between the farmers and with technical experts, namely, ACTO (Animal Science) Dr A Ameeta Devi; ACTO (Home Science) Dr Y Prabhathi Devi; ACTO (Plant Breeding) Ts Leenda Monsang; ACTO (Agriculture Extension) of KVK Chandel Th Motilal Singh; and ACTO (Plant Protection) Dr N Johnson Singh.

The training was attended by more than 150 farmers from Modi and Hnatham villages.

Meanwhile, a two-day

training programme on "Maize based cropping system for improving livelihood and nutritional security of small and marginal farmers" commenced from Thursday at ICAR-KVK, Monsangpantha, Chandel.

The programme which is being organised by ICAR Research Complex for NEH Region, Manipur Centre and Krishi Vigyan Kendra, Chandel in collaboration with ICAR-Indian Institute of Maize Research, Ludhiana was inaugurated by Chandel DC Krishna Kumar in the presence of ICAR Research Complex for NEH region joint director Dr I Meghachandra Singh, KVK Chandel head Dr Deepak Singh and ICAR scientist Dr MA Ansari.

The programme is being conducted to create awareness on the potentialities of Rabi maize cropping system in Manipur and adoption of improved technologies.

Dignitaries stressed the need to undertake concerted

efforts to increase the cropping intensity in the state by defining suitable cropping systems. They also highlighted the importance of maize as essential feed ingredient for poultry, piggery and fisheries in addition to the normal human consumption and as a sustainable crop in the upland hills of Manipur.

Furthermore, they highlighted the importance of conservation of water resources and tapping the irrigation potential so that baby corn, sweet corn cultivation can be undertaken in NEH region in general and Manipur in particular. Technical session covered various aspects related to maize based farming system. The inaugural programme ended with the vote of thanks presented by Dr KI Levis Chogloi.

Around 110 farmers from Lambung, Lamphoupasna, Panchai, Riverline, Chandanpokpi, Ziantlang are taking part in the training programme.

Residential Skill Training programme for Small poultry farmer launched (The Sangai Express 15.2.19)

## PM KISAN scheme launched across districts

DIPR/Our Correspondents

Bpr/CCpur/Tml/Spt/Cdl, Feb 24: The Deputy Commissioner of the Bishnupur district, Pawan Yadav has launched Pradhan Mantri Kisan Samman Nidhi (PM-KISAN), a centrally sponsored scheme, at Panchayat Resource Centre, Mini Secretariat Complex, Bishnupur today.

Speaking at the occasion, the Commissioner said that the scheme will benefit those farmers who have applied for the scheme as per the guideline.

"Landholder farmer families with total cultivable holding up to 2 hectares will get a benefit of Rs 6000/- per annum in three installments" he informed.

During the programme, the first instalment of money under the scheme has been deposited in the bank accounts of 60 farmers directly.

The programme was organized by District Administration in coordination with the District Agriculture Office, Bishnupur while Dr Salam Dhana, Youth Coordinator, NYK; L Manikanta, BDO, Bishnupur; K Jadumani, BDO, Moirang; and Netu Singh, AC to DC attended the function as presiding members.

CCpur: PM-KISAN was

also launched at CCpur & Pherzawl districts by Deputy Commissioner, Churachandpur, Shyam Lal Poonia today at DTC Hall, Tuibong.

The DC also handed over selection letter to the selected beneficiaries during the programme.

Speaking at the occasion, DC Poonia said that the scheme is a part of the Government's effort to address farmers' distress which will supplement the financial needs of the small and marginal farmers in procuring various inputs to ensure proper yield of crop. It will also commensurate with the anticipated farm income at the end of each crop cycle.

The DC further added that the funds under this scheme

would be transferred to the bank account of the beneficiaries electronically with a pattern similar to MGNREGS.

Meanwhile, PM-KISAN was also launched for Pherzawl district by T Paukhanlian, Chairman, ADC Churachandpur at the camp office of Pherzawl DC located at Tuibong, Ccpur today. The launch programme was attended by DC Pherzawl Mannuamching and other DLOs.

**Tamenglong:** The District Administration of Tamenglong has launched Pradhan Mantri Kisan Samman Nidhi (PM-KISAN), an income transfer scheme of GoI, at Shekinu-Inn, Tamenglong district Headquarter today.

Ravinder Singh, IAS, Deputy Commissioner of Tamenglong and S P Lovejoy, District Agriculture Officer, Tamenglong attended the function as chief guest and guest of honour respectively.

Speaking at the event, Ravinder Singh said that the PM-KISAN scheme is aimed at supplementing the financial needs of the small and marginal farmers.

Under the scheme, small and marginal farmers with less than two hectares of land will get cash in their accounts in three instalments of Rs 2,000 each, he said and added that Aadhaar and bank account is mandatory for claiming benefits under the said scheme.

10 farmers from Tamenglong and Tousem were given a certificate of beneficiaries on the occasion.

Large numbers of people including village chairman, Church leaders, NGOs, and farmers from Tamenglong district took part in the event among others.

**Senapati:** Launching programme of Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) was also held at DRDA Hall, Senapati under Agriculture Department.

The programme was attended by Somorjit Salam, IAS, DC, Senapati, Lalmani

Singh, MCS, ADC, Senapati, DLOs along with several farmers of different villages of the region.

Speaking at the program, DC Somorjit Salam said that the scheme, which aims to provide monetary assistance, was launched in consideration of the several difficulties faced by farmers due to various natural calamities in the country.

The DC then handed over the intimation letters of selected beneficiaries under the scheme.

**Chandel:** The live telecast/webcast of inauguration of PM Kisan Samman Nidhi Scheme was conducted at Krishi Vigyan Kendra, Chandel today at KVK Chandel's Conference Hall, Monsangpantha, Chandel.

At the outset of the programme, Dr Deepak Singh, Sr Scientist & Head, KVK Chandel gave the keynote address on the programme while Th Motilal Singh, ACTO (Agril Extension) briefed on the PM Kisan Samman Nidhi Scheme to the farmers and thereafter the live telecast of PM Maan Ki Baat and inaugural programme of the scheme PM Kisan Samman Nidhi was telecast. The programme was attended by 70 farmers and staff of KVK Chandel.

## KVK, Cdl organizes exposure trip as part of STRY

CHANDEL, Mar 30: As a part of Skill Training of Rural Youth (STRY) on vermicomposting, an exposure trip was organised by Krishi Vigyan Kendra, Chandel.

Dr K Sonamani Singh, ACTO (SWCW) led the team of 32 rural youths from Chandel to several units and farms in which vermicomposting activities were taken up in massive scale. The participants witnessed the hands-on demonstration of

minute details and steps of turning waste into resource. Later, the highly motivated and inspired youths were shown plots of vegetable farms which had benefitted using vermicompost and are totally organic.

The youths were made aware of the need to stop the bad habit of straw burning in the fields after harvesting. The youths were also shown the probable avenue of revenue generation through the sale of vermicompost manure.
