## KRISHI KALYAN ABHIYAN, CHANDEL

### Achievement report

Krishi Kalyan Abhiyan was launched on 1<sup>st</sup> June, 2018 by the Ministry of agriculture cooperation and farmers welfare in 117 aspirational districts of the country. The program focused on giving a boost to agriculture and allied activities in these aspirational districts and farmers' income by 2022. Chandel District, Manipur is among the 117 aspirational districts of the country. Abungnikhu, Aihang, Chakpikarong, Chandel Christian, Kapaam, Lambung, Lamphoupasna, Mantripantha, Monsangpantha, Panchai, Phunanasambum, Purumchumbang, Riverlane, Rungchang, Japhou, Heigrutampak, Kanankhu, Moltuk, Kudeikhunou, Mantak, New Somtal, Purum Tampak, Sajik Tampak, Tampi and Thungcheng are the 25 inspirational villages of Chandel District, Manipur.

Programmes implemented in the aspirational villages included Soil Health Card distribution, Moni kits of pulses and oilseeds distribution, Horticultural plants distribution, construction of NADAP pits or Vermi Compost pits, vaccination of Sheep & Goat for eradication on PPR, FMD vaccination of bovines, Artificial insemination, agricultural implements distribution and organize of training on Mushroom cultivation, Bee Keeping and Nutrition garden and others trainings.

- 1. Distribution of Soil Health Card:** Soil Health Card aims at promoting soil test based and balanced use of fertilizers to enable farmers to release higher yields at lower cost also the main objective is to aware growers about the appropriate amount of nutrients for the concerned crop depending on the quality of soil. The target for soil health card distribution in the 25 aspirational villages was 1706. The target is achieved with distribution of 1706 SHCs to the farmers (Table -1).

**Table – 1 (Soil Health Card Distribution)**

Sl. No.	Village	Date of implement	Target	Achievement
1	Chakpikarong	25/6/18	140	140
2	Chandel Christian	19/6/18	80	80
3	Lambung	19/6/18	128	128
4	Lamphou Pasana	25/6/18	74	74

## 2. Distribution of Mini Kits of pulses and oilseeds or paddy:

The target for distribution was 2000 mini kits; whereas 2096 mini kits distribution were achieved and the details are given as follows:

- **2000 Mini kits of soybean (oilseed)** were distributed to the farmers in 25 aspirational villages (Table - 2).
- **40 mini kits of Groundnut (Oilseed)** distributed: On 13/6/18, 10 mini kits of groundnut were distributed to Japhou village. While on 19/6/18, 15 mini kits to Lambung village, 10 mini kits to Chakpikarong village and 5 mini kits to Chandel Christian village were distributed.
- **56 Paddy mini kits** distributed: On 13/6/18, 7 mini kits to Japhou village. While on date 19/6/18, 28 mini kits to Lambung village and 21 mini kits to Chandel Christian village were distributed.

**Table – 2 (Soybean Mini kits Distribution)**

Sl. No.	Village	Date of implement	Target	Achievement
1	Chakpikarong	25/6/18	158	158
2	Chandel Christian	19/6/18	100	100

### 3. Distribution of Horticulture plant:

12500 sapling of Horticulture plant @ 5 per family were targeted and distributed to 100 household each in 25 aspirational villages. The target has been achieved and completed (Table – 3). 2500 farmers have benefitted from this programme and 12500 horticulture saplings (lemon & orange) were distributed to the farmers.

**Table – 3 (Distribution of Horticulture Sapling)**

Sl.No.	Name of the Village	Name of the Sub-Division	No. of fruit plants distributed	Date of Distribution
1.	Chandel Christian	Chandel	500 nos. of fruit plants (Lemon-100, Orange-400)	22-06-2018
2.	Yaphou	-do-	500 nos. of orange saplings	13-06-2018

#### 4. Distributions of agriculture implements per village:

The target for distribution of agriculture implements was per village, which are 250 nos. for the 25 aspirational villages. The distribution of agriculture implements included cono weeder, spade and weeding tool. The distributions of the agriculture implements exceed the target by 50% i.e 500 nos. achievements against the target. 500 farmers have benefitted from this programme (Table – 4).

**Table – 4 (Distribution of Agriculture implements)**

Sl. No.	Village	Date of implement	Target	Achievement
1	Chakpikarong	26/6/18	10	20
2	Chandel Christian	3/8/18	10	20
3	Lambung	6/7/18	10	20

## 7. Vaccination of Sheep and Goat for eradication of PPR

100% coverage of Sheep and Goat for eradication of PPR was targeted to the 25 aspirational villages. However vaccination can only be conducted at 16 aspirational villages as no sheep and goat were found in the remaining 9 aspirational villages. 128 nos. of vaccination of Sheep and Goat for eradication of PPR were achieved (Table – 7).

**Table - 7 (P.P.R VACCINATION)**

Sl. No	Name of village	Date of Vaccination	Total target benefici aries	No of Benefici aries	Number of Goat and Sheep	Remarks
1.	Abungnikho	7/08/2018	0	0	0	No sheep & goat
